

DAVE MUTO

GUITARIST - BASSIST
COMPOSER - TEACHER

MEET DAVE

Dave Muto is a guitarist, bassist, composer, and teacher based in New York City who has been playing music for over 15 years. He has released two EPs, a single, and has been featured in video games, short films and book trailers. When he's not working on music, he's either teaching it to children around NYC, or playing it at venues up and down the east coast, private events, or corporate events.

SOUNDTRACK EXPERIENCE

HALF WAY CROOKS: POINT THE FINGER

Short Film

- Dramatic Piano piece used at the climax of the film.
- Written with the intent of setting a melancholy atmosphere that captures the hopelessness of the characters' predicament.
- Link to Film: <https://vimeo.com/109732236>
- Contact info for the director: www.uriah.tv

CONVERSATIONS: A COLLECTION OF SHORT STORIES

Book Trailer

- Melodic, evocative guitar chords to provide a sense of mystery
- Meant to fit the theme of the book, which was a series of short mystery stories.
- Link to Trailer: <https://www.youtube.com/watch?v=2Xn11X2JyFQ>

QI XI

Video Game Demo

- Minimalist ambient music based on traditional Japanese & Pakistani music
- Set to take the player through the ill-fated love story of the two main characters, while also keeping them engaged in the game
- Link to Game: <https://mostopha.itch.io/qixi>
- Link to Soundtrack playlist: <https://bit.ly/2luSew8>
- Contact info for the developer: rorappo@gmail.com

ORIGINAL SCORING

Personal Portfolio

- Comprised of several songs to demonstrate Dave's versatility
- 3 Ambient Soundscapes meant to serve as backdrops in movies/videos/games/commercials
- 4 Guitar oriented songs, 1 Instrumental Rock, 1 Fusion, 1 Acoustic Guitar, and 1 Ambient Guitar track.
- Link to portfolio: <https://tinyurl.com/y6hpy8hv>

Collaboration with Lindsey McDowell

Original Backing Score, Guitar Tracking, Pre-Production

- Worked collaboratively with female vocalist & actress Lindsey McDowell who provided lyrics and requested a guitar covers of a variety of songs, from "Figures" by Jessie Reyez to "Don't know how to keep loving you" by Julia Jacklin.
- Wrote, recorded, and pre-produced original guitar tracks before submitting them to be mastered at Lindsey's producer's studio.
- Private Soundcloud Playlist of Lindsey's material: <https://tinyurl.com/qwf9zrn>
- Lindsey's Contact information: lindseymcd@me.com

SOUND EDITING

"THREE BAGS FULL"

Ambiance & Sound Mixing

- Added animal and general background noises for ambiance for game, as well as mixed levels for all game music and interactivity noise
